All,

I hope that all's well and Happy Friday! Please join me as we celebrate the groundbreaking of the Harbor Blvd Roadway Improvements Project which will be held on Thursday, December 8th at 2:00pm on Sampson Way just South of the 6th Street (across from Acapulco Restaurant). The Port of Los Angeles will join local officials and community leaders to kick off construction of the Harbor Boulevard Roadway Improvements Project, a reconfigured three-street intersection at Harbor Boulevard, 7th Street, and Sampson Way in San Pedro. The street realignment is in preparation of the planned San Pedro Public Market, slated to open in 2020 at the current Ports O' Call Village site on the San Pedro section of the LA Waterfront. The realignment will improve both vehicular and pedestrian access with a new traffic signal at the intersection of Harbor Boulevard, 7th Street and Sampson Way, bike lanes, landscaping, outdoor lighting, and walkways. In addition to improved access to the planned San Pedro Public Market, the new intersection will also provide another point for connectivity to other LA Waterfront attractions, such as the World Cruise Center, Battleship IOWA, and Los Angeles Maritime Museum, among others. **PLEASE FEEL FREE TO PASS THIS INVITATION ON**, all are invited and I hope to see you there!

Sincerely,
